Examiner's signature, if required

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Claims 1 and 5 were discussed during the interview. The discussion of claim 1 related to a proposed amendment further describing a "word string class". The discussion of claim 1 further related to a more detailed description of a word string class relevant to the specification, particularly TV programming involving TV titles to help the classification and modeling of a language. The discussion of claim 5 related to a substitution of a word string class with a virtual word, and whether the current prior art contains this limitation. Both claims 1, 5, and the invention as a whole will be further analyzed and considered with respect to the proposed amendment(s)..
